Re: Zimmerman v. Portfolio Recovery Associates, LLC, 7:09-cv-04602-SCR
 Request to Extend Time to Brief Attorneys' Fees

Dear Judge Gardephe:

On April 2, 2013, the Court set the following schedule for Plaintiff's motion for attorneys' fees: Plaintiff's motion due on April 19th with Defendant's opposition due on April 26th. (Doc. No. 81).

The Parties have been negotiating in good faith to attempt to resolve the fee issue and those negotiations are ongoing. To preserve this Court's resources and avoid perhaps unnecessary briefing, the Parties request a two week extension of the briefing schedule to complete their discussions.

Therefore, the Parties respectfully request the Court modify the briefing schedule as follows: Plaintiff's brief due on May 3, 2013, with Defendant's opposition due on May 10, 2013. This is the first request to modify this briefing schedule. Both Parties consent to this request.

Sincerely,

Sergei Lemberg
